FOR IMMEDIATE RELEASE
14 June 2006

Allied Images appointed Cimmetry Certified Partner

Allied Images has been appointed a Cimmetry Certified Partner. Cimmetry Certified™ is a VAR Certification Program focused on enhancing the level of Cimmetry partners' technical and business expertise to sell, service and support AutoVue™, Cimmetry's industry-leading collaborative visualization software. The program was introduced in March 2006 during the Agility 2006 User Conference in USA and has been brought to Europe.

Allied Images is a scanning and imaging technology distributor offering a comprehensive range of products and services to a wide range of market spaces including CAD, AEC, GIS and reprographics. Our products include AutoVue, a collaborative visualisation software tool.

Cimmetry Systems Corporation, an Agile Software company, is global leader in collaborative visualisation solutions for the industrial, automotive, aerospace and defence, electronics and high tech, medical device and AEC markets. AutoVue is the premier enterprise-wide viewing, printing, markup, digital mockup and collaboration solution, and supports hundreds of native 2D/3D CAD & EDA formats, Office, PDF documents and graphics.

Certified Partners are eligible:

- to participate in Cimmetry's Limited Availability pre-release program
- for joint marketing programs and lead development with Cimmetry
- to nominate customers for Cimmetry's Customer Advisory Boards
- to represent Cimmetry at international and regional tradeshow

.Steve Morin, MD of Allied Images, said "Allied has been selling AutoVue for twelve years. Gaining Certified Partner status puts Cimmetry's stamp of approval on the excellent work we've been doing for our customer base over those years." Allied Images' AutoVue customer base includes many utility, engineering and construction companies plus users in other sectors including health, transportation, local government, legal

and general business. Recent sales have included railway engineering companies, water utilities and regional government planning authorities.
